

NAS Academic Policy & Procedure Library

The National Art School's academic policies and procedures provide a structured framework to guide our teaching and learning, operations and administration. These guidelines set clear expectations and maintain compliance with relevant laws and standards to support a productive, respectful, and safe environment for all.

Please access the current version of the NAS academic policies and procedures via the OneDrive links below. We encourage you to familiarise yourself with these policies and refer to them as necessary. Staff and students who wish to provide feedback on our academic policies and procedures should email academic.policies@nas.edu.au
