ADVANCED STANDING

Applicants can apply for admission into the Bachelor of Fine Art with advanced standing (also known as “credit” or “recognition of prior learning”) as acknowledgement of prior study at a university or TAFE.

Students admitted with advanced standing are given credit towards the degree for all appropriate subjects completed at another institution up to a maximum of two thirds of the total credit points required for the degree. Specified credit will be given for subjects closely related to a subject offered within the degree course, based on supplied evidence.

Advanced standing is only given for study completed in the last 10 years.

The educational qualifications required for admission with advanced standing into the BFA for **second year** are:

- successful completion of the first year of a degree in fine art at an equivalent institution, or
- successful completion of a Diploma of Visual Arts at TAFE or an equivalent institution, or
- successful completion of an Advanced Diploma of Visual Arts at TAFE or an equivalent institution.

How do I apply for advanced standing?

Direct NAS applicants: If you would like to apply to the BFA with advanced standing, you will need to complete the Advanced Standing Application form at: [BFA Advanced Standing Application Form](#). NAS Student Services will assess your previous study for eligibility and make the necessary arrangements. You will need to provide evidence of previous study (in English).

UAC applicants: If you would like to apply to the BFA with advanced standing, you will need to submit your initial application through UAC. Upon receiving your invitation to interview, you will then need to advise Student Services that you wish to be assessed as an Advanced Standing applicant and inform them of your preferred studio specialisation (Ceramics, Drawing, Painting, Photomedia, Printmaking, or Sculpture).

Please note: Priority for enrolment is given to National Art School continuing students and therefore entry into Second and Third Year on the basis of advanced standing is competitive and subject to availability of spaces in studio areas. All advanced standing applicants are assessed via interview and portfolio presentation by designated staff, including the relevant Head of Department where applicable.

THE SELECTION PROCESS

Admission into the Bachelor of Fine Art is competitive, with selection based on the applicant's **portfolio, interview, and personal statement**. All eligible applicants will be invited to an interview. Note: Selection is not based on ATAR.

Whilst in-person interviews are preferred, there are options to undertake an interview online, particularly for those applicants living overseas or interstate.

The interview panel will consist of academic staff from the National Art School.
