COURSE MODULES & DATES

Module 1

4 days: Tue 11 – Fri 14 Jul 2023

Module 2/3

5 days: Mon 25 – Fri 29 Sep 2023

In Module 1 students will be involved in preliminary research and the development of ideas in order to initiate a body of work.

Module 2 will consolidate and extend the preparatory work of the first module and students will work intensively to complete the body of work for exhibition. Individual research undertaken during the off-campus period will be integrated at this stage.

During Module 3 students will be involved in assessment and critique procedures and in the preparation of their work for a pop-up exhibition.

The exhibition will be held on the afternoon of Friday 30 September. Students, their families and Visual Arts teachers will be invited to attend the exhibition.

The National Art School (NAS) reserves the right to review students after Module 1. Students will be invited to continue on to Module 2 if they have met the criteria of Module 1 and displayed excellence in their chosen media.

COURSE FEES

The fee for 2023 is \$400.* Students requiring boarding are asked to pay an additional \$400 (\$800). This is payable on enrolment once a student has been offered a place in the course (Term 2, 2022). Students are also required to supply their own Visual Arts diary and cover the costs of commuting to and from the School. NAS is not able to reimburse for travel from Sydney Metropolitan or Regional areas.

BOARDING

Boarding facilities are strictly limited and will be offered only to regional students who have no other accommodation alternatives. Boarding students will be offered share accommodation at a nearby hotel and will be supervised at all times by two teachers. Students living within the Sydney Metropolitan and Blue Mountains area, the Central Coast and Wollongong will not be offered boarding facilities and will need to commute.

BOARDING SCHOLARSHIPS

In the event of the student needing financial assistance, a "NAS Regional Boarding Scholarship" may be applied for on the application form. This will cover full or partial fees. Eligible students are those who, due to financial restrictions and without the scholarship, would find it difficult or impossible to attend the program. A letter of support from the school outlining the student's eligibility should accompany the application.

ASSESSMENT & CREDENTIALLING

At the end of Modules 1 & 2/3 students will be assessed by tutors on art making tasks carried out in the studio, as well as their final body of work.

The NAS HSC Intensive Studio Practice will appear on the student's HSC certificate as a one-unit course but will not contribute to the student's ATAR. The National Art School will issue each student with a separate "Statement of Results" which will include a mark out of 50.

Please note that the body of work produced by each student during the HSC Intensive Studio Practice will not necessarily be related to the body of work prepared for the HSC. While the student will be able to use the technical and conceptual skills and knowledge gained in their time at the NAS, they will not resubmit their NAS work for HSC Assessment and examination.
